SUBJECT - APPOINTMENT OF A CHIEF OFFICER FOR THE CHINTAMANI TOWN MUNICIPALITY

******

Adverting to your letter No L 6348/M 1 8840-25 dated 25/2/1941, approving the recommendation of my predecessor to the effect that final orders on the above subject might be deferred for some time, I have the honour to state that the position in the Chintamani Town Municipality both from the administrative and financial points of view has not shown any improvement since then and the reasons urged for the appointment of a Chief Officer in this office letter No A 5 C 3370/39-40, dated 3/10/1940, still hold good This aspect of the question has been already brought to the notice of Government in my Review on the budget estimates of that Municipality for the current year and in the Brief and Detailed Administration Reports of the several Municipalities in this District for the year 1940-41 The President of the Municipality who was asked to report in the matter of improving the affairs of the Municipality has strongly recommende the appointment of a Chief Officer for the purpose A copy of his D O letter No H C 96/39-40, dated 26/9/1941, is enclosed herein for favour of perusal

In the circumstances explained, the need for a Chief Officer in the Chintamani Town Municipality is both real and urgent But the only difficulty in the way of appointing one is a technical objection raised by the Director of Public Health, Viz , that, as per Government Order No L 8821-8902/M 1 199-35-5, dated 20/5/1936, the Chintamani Municipal ty whose annual income is more than Rs 10,000/- should have a Sanitary Inspector and not an Assistant Sanitary - Inspector

But this Government Order would appear to be applicable only to cases involving the appointment of Sanitary Inspectors and Assistant Sanitary Inspectors and could hardly be construed as being applicable to the appointment of Chief Officers In the interests of an important Municipality like Chintamani the requirements of this Government Order may be kindly be waived When the appointment of a Chief Officer was sanctioned for the Chickballapur Town Municipality in the year 1935 the post of the Sanitary Inspector in that Municipality was abolished and not even an Assistant Sanitary Inspector was appointed and it was subsequent to G O No I 4244-65/ L B 105-33-15, dated 17/12/1934, requiring that every Municipality having an annual income of Rs 7000/- or more should have a Sanitary Inspector As the Municipal Council of Chintamani want to have an Officer of higher status than a Sanitary Inspector to ensure efficient administration of the Municipality the provisions of Government Order dated 20/5/1936 may be kindly relaxed in this case and the Municipal Council allowed to have a Chief Officer with an Assistant Sanitary Inspector instead of a Sanitary Inspector

Another factor to be considered in this case is the local feeling in regard to the appointment of Chief Officer If the allowance of Rs 30/- per mensem, that is now being paid to the Vice President were to be discontinued as previously recommended in this office letter No A 5 C 3370/39-40, dated 3/10/1940, there would be - opposition from the non-official Members of the Municipal Council to the appointment of a Chief Officer If this allowance were not interfered with there would be absolutely no opposition It is therefore suggested that the Vice President may remain and continue to get his allowance even after the appointment of a Chief Officer This means an extra cost of Rs 360/- per annum but it is inevitable in the interests of efficiency of the administration of the Municipality

In the circumstances explained above, I request that Government may be pleased to appoint a Chief Officer for the Chintamani Town Municipality on a pay of Rs 80/- per mensem in grade Rs 80-4-100/- plus a conveyance allowance of Rs 10/- per mensem subject to the

condition

that the present post of Sanitary Inspector in the Municipality be abolished and an Assistant Sanitary Inspector on Rs 25/- in grade Rs 25-1-35 plus Rs 5/- C A per mensem be appointed in consultation with the Director of Public Health in Mysore

The favour of early orders is solicited

Your most obedient servant

D C Letter No H C 96/39-40 dated 26th September 1941 from the President, Town Municipal Council, Chintamani to the Deputy Commissioner, Kolar District, Kolar

---

With reference to your D O letter No A5 C 77C/41-42 dated the 13th instant calling for a detailed report with my opinion in respect of the appointment of a Chief Officer, to Chintamani Town Municipality, I beg to state as follows -

Chintamani Town Municipality is a big Municipality, with heavy transactions of more than Rs 50,000/- per annum which is entrusted to the Amildar of the Taluk as President without any whole-time assistant to assist him in the administration of the Municipality The work of the Taluk itself being very heavy It is found very difficult to bestow full attention to the work of the Municipality and keep the work up to date On account of this draw back, the Municipal taxes have fallen into arrears and heavy arrears are outstanding recovery

Even though there is a heavily paid Sanitary Inspector (in the grade of Rs 67-4-87) the present sanitary Inspector Mr Vairamudiyappa, though a senior man, getting a heavy pay, is not worth the name, as he is not only lazy but quite incapable of discharging his duties He certainly looks much older than his official age I personally feel, that it is better to be without a Sanitery Inspector, than have one of this type

The work in this municipality being very heavy, I am of opinion that it is quite desirable to appoint a Chief Officer to this Municipality who will be a whole time assistant to the President to improve the standard of efficiency of the administration of the Municipality

By the appointment of a Chief Officer, the expenditure incurred by the Municipality will not be much as the pay of the Chief Officer will be almost the same as that of the Sanitary Inspector at present The existing scale of the Sanitary Inspector may be abolished and an Assistant Sanitary in the grade of Rs 25-1-35/- may be appointed to assist the Chief Officer to look after the sanitation of the Town as per

the resolution of the Municipal Council dated 11/4/1940

The conveyance allowance of Rs 30/- per mensem which is being paid to the Vice President may also be continued, as that will be the only extra expenditure that the Municipality will have to bear if a Chief Officer is appointed and this Municipality can easily bear this extra cost

I am further of opinion that by the appointment of a Chief Officer the finances of the Municipality will improve to some extent at least, as there will be regular check over the Octroi and Miscellaneous income, as against the periodical check now exercised by the President as the President is a touring Office required to be out of headquarters for a major portion of the month
